CMCP MODIFIED REQUIREMENTS TRACK PREREQUISITES CHECKLIST

The Clinical Musician Certification Program Modified Requirements Track is an option for musicians with previous training or experience in therapeutic music. To be considered for the Modified Requirements Track you must submit all the items on this checklist to the Harp for Healing, LLC home office. Application does not guarantee acceptance. The application fee is non-refundable and is separate from the tuition fee.

X	Item	Comments
	Completed copy of this checklist	
	Application fee \$100 (Non-refundable)	Submitted electronically through the website or by check
	Cover letter	State your reasons for applying for the CMCP Modified Requirements Track
	Completed Application	Available on the website
	Recording #1--Patient Category: Children--10 minutes of continual music, at least 2 songs	Demonstrate rhythmic, familiar, and melodic music with smooth segues and some improvisation, 70-80 beats per minute
	Recording #2-- Patient Category: Elderly--10 minutes of continual music, at least 2 songs	Demonstrate rhythmic, familiar, unfamiliar, and melodic music with smooth segues and some improvisation, 60-70 beats per minute
	Recording #3-- Patient Category: General care--10 minutes of continual music, at least 2 songs	Demonstrate rhythmic, familiar, unfamiliar, and non-melodic music with smooth segues and some improvisation, 60-80 beats per minute
	Recording #4-- Patient Category: End of life/pain relief--10 minutes of continual music	Demonstrate non-rhythmic, non-melodic, unfamiliar, and improvised music with smooth segues
	Recording #5—Public lobby area—10 minutes of continual music using at least 3 songs from different categories of your PMME repertoire list.	Demonstrate repertoire diversity at an appropriate tempo, complexity, and volume for a public area.
	Narrative for each recording	Describe situation, patient's reaction, your modification of music based on reaction
	Summary of therapeutic music experience, including experience at the bedside	Include estimated number of bedside hours and sessions--Minimum 45 hours, 100 sessions of bedside experience
	Recommendation from at least one facility where you provided bedside music	
	Current resume relating to therapeutic music
